During the last few years there has been a great rush of travel to the Pacific coast. It has seemed at times as if the entire population of the eastern and middle states was determined to settle in the broad interior valley of the San Joaquin, or in some of the pretty spots near the coast. From San Diego northward to San Francisco, almost everybody has been interested in oranges and lemons and real estate.

The Santa Fe route, being the shortest and best line to the coast, gets the cream of the passenger traffic.

But we did not intend to advertise California exclusively; we have another object in view.

Today, if there may be said to be a "boom" anywhere, it is in the New South. Texas, which is half a south and half a western empire, has felt the rising tide of business push and enterprise, and as a consequence, people are looking to Texas as they never did before.

Are you going to Texas this spring? If so, why not take advantage of the one fare round trip excursion rate via Santa Fe route to Fort Worth? Tickets on sale May 7, 8 and 9, good 30 days; also on sale daily from May 8 to 28 inclusive, limited until June 2 for return.

This is a cheap rate, made for the big show of the year, the Fort Worth Spring Palace, which will attract thousands of visitors from abroad.

Our double daily train service to Texas ("Lone Star Limited") and Galveston Express affords quick transit and excellent accommodations. Through Pullman sleepers and day coaches, Wichita to Fort Worth, Dallas, Houston, Galveston, and other principal cities, on day and night trains. The time from Wichita to Fort Worth is only a trifle over 15 hours; the rate, in dollars and cents, is \$11.50.

Persons wishing to go further than Fort Worth can purchase excursion tickets from that point to interior Texas towns.

For tickets and Pullman reservation apply at Douglas avenue union passenger station or union ticket office, 122 North Main street.

My trade all over the state and Oklahoma is getting better every day because I am selling musical goods of all kinds cheaper. Come and see my large store and the biggest music store in the state.
